Fall 2019

Earn the Certification that Sets You Apart

The 2019 SHRM Learning System® provides interactive tools and updated content that reflects the SHRM BoCK™ tested on the SHRM-CP and SHRM-SCP exams. Gain a generalist viewpoint, refresh key ideas and concepts, strengthen your understanding of core competencies and increase productivity. The SHRM Learning System delivers the most effective SHRM-CP and SHRM-SCP certification preparation. Learning modules and online study tools teach you everything you need to prepare for your SHRM-CP/SHRM-SCP certification exam.

By incorporating key HR competencies into the SHRM-CP and SHRM-SCP, SHRM is enhancing the relevance of the new certifications. SHRM's new credentials demonstrate to the global business community that the credential holder has strong capabilities in both aspects of HR practice—competency and knowledge—that are required for effective job performance. Earning your SHRM-CP or SHRM-SCP credential makes you a recognized expert and leader in the HR field—and a valuable asset to your organization, keeping you and your organization more competitive in today's economy. This professional distinction sets you apart from your colleagues, proving your high level of knowledge and skills.
